**We believe that art, in all its forms, is a positive force in our community. It enriches our culture, enlivens our community, and strengthens our ties with each other. The Quesnel Art Trail is a 3 week self-guided tour through displays of artists' works in local downtown businesses.**

### **Artist Requirements:**

- Artists of all skill levels, professional career, and credentials may apply. Artists must submit all original work.
- Artists will be assigned a venue based on the characteristics of their artwork such as size, number of pieces, space configuration, etc.
- Artists are responsible for contacting and negotiating setup details with the venue business owner/contact.
- All pieces must be properly prepared for hanging/display, and all display material and structures are the responsibility of the artist.
- Artists are expected to cross promote the business they are set up in
- Artists may sell their work but through direct sales only; interested buyers must contact the artist, therefore contact information and price must be displayed with the work.
- We ask that sold items remain on display with a "sold" sticker or sign, or if the item is removed, it is replaced with another piece.
- The artist's name must be clearly written on the back, side, or bottom of each piece.
