

Project Support Grants

The Quesnel Arts Council is now accepting applications for **2022** Funding for **Project Support Grants**. The funding is available to **non-profit** community groups to support and develop arts and culture in the Quesnel and North Cariboo Regional District.

Project Support Grants of between \$300 and \$1500 are available in one of the following categories:

1. **PROJECT GRANTS** for projects that are new or build creatively on previous work and are likely to increase participation in arts and culture.
2. **CAPITAL ACQUISITION GRANTS** to facilitate and support the artistic activities of the organization or group through capital purchases.
3. **COMMUNITY-BASED SUPPORT GRANTS** for activities such as workshops, professional development, community-based artistic activities, or any other activity designed to enhance or support an existing program.

Projects must:

- take place within the Quesnel and/or CRD Areas.
- be completed within 1 year of funds being allotted.
- include some financial or in-kind contribution by the applicant.
- the deadline for Project Support Grant applications is **the 4th Monday in January** at QDCAC General Meeting
- Final report due 30 days after completion of Project Activities.

The funding for Project Support Grants is made available from BC Arts Council and the Quesnel Arts Council Fund Raising Activities and made available through the Quesnel Arts Council.

Applicants will be notified of the decision of the Quesnel Arts Council.

Grants will be awarded at the **Annual General Meeting** of the Quesnel and District Community Arts Council in **May of each year**.

Individual Artist' can apply to BC Arts Council or Canadian Council for the Arts
